Dear Sir:

In response to the Office Action dated December 12, 2002, please amend
the above-identified application as follows:

IN THE SPECIFICATION:

In the Abstract (page 23 of the application) delete the entire paragraph and
substitute the following paragraph in its place:

a
"A remotely activated electro mechanical device is mounted in the dual
chamber brake system of a vehicle or trailer. The device includes a solenoid valve
and a receiver decoder which controls the valve in response to a coded signal
